PLAY ATTENDED
BY LARGE AUDIENCE

P.T.A. MAKES PLANS
FOR THE CARNIVAL

The high school play, "Mary-Gold" was presented before a capacity audience, Friday evening April 11. The play was a great success, and the finished touch which the actors achieved in their work was remarkable in view of the fact that they had worked such a drama in just three weeks.

Much credit is due to Miss Burt who coached the play and the splendid team work of the cast that had evidence in the finished product of the play.

The play netted the Student Body a sum of \$53.65 exclusive of the expenses. Part of this sum will be used as the student's portion of the shower fund subscribed last fall.

PRIZE AND ASHPOLE PRESENT WINNERS

The two players having the most points in their favor in the tennis tournament are Donald Ashpole and Kireh Beile.

This contest is between the students of the High and Junior High.

Definite plans for the P.T.A. Carnival to be given April 25, in the school gym were arranged at the meeting of the P.T.A. last Friday afternoon. At the door a general admission of twenty-five cents will be charged. An interesting program is being arranged by Miss Miller and Miss Darnelle for the games, and by Miss Miller and Miss Burt for the High School. Candy, cap handkerchief, and fish pond booths will also be a source of entertainment.

Mrs. L.A. Swigart, a member and former president of the McFarford garden club, gave an interesting talk on color combinations in the garden.

This being the end of the term for the present officers, new ones were elected for the coming year. Mrs. Bitterling was re-elected president; Mrs. Caster elected vice-president; Miss Aitken, secretary; and Mrs. Cowden, re-elected treasurer.

After the regular order of business tea was enjoyed by all of those present.
